Sorry — please use this one. Added a phrase in the first NHPA sentence to make the point that NHPA consultation is not *only* with tribes.

Hi all –

Here are the final versions of the briefing materials. Betsy just sent the materials out to the participants – you can see the list of invitees below.

I'm also attaching the latest version of the talking points. You will also get an invite from Betsy for 12:30 pm tomorrow (Thurs) as Deb would like to go over the talking points. I cast a wide net for that meeting so we can make sure she's prepared. Please let me know if I missed anyone.

Thanks!
Sarah
